Arrival and Dismissal of Students

The school doors will open at 8:05 on M, T, W & F and at 9:05 on the Thursday one-hour late starts. Students should arrive **no earlier** than this time for breakfast. There is no supervision prior to this time, which creates an UNSAFE environment for students and we trust you'll help us keep your students as safe as possible. After 8:05 AM, all students will have the opportunity to eat breakfast in the multi-purpose room and/or go to recess with their classmates. At 8:25 AM, students will transition to classrooms. The tardy bell will ring at 8:30. Buses will arrive to school between 8:05-8:15 and will drop students off in front of the elementary school in the designated bus lane.

Elementary students will complete a temperature check before going to class and will wash their hands when they get to their classroom. Middle school students will go straight to the middle school to complete a temperature check and handwashing before going into the middle school or multi-purpose room for breakfast.

Our staff will be teaching from bell to bell as we need to use every minute that we have for learning, which means that we will not have students ready to leave until 3:00. This also means that students will not load buses or be out at the pickup area until 3:05. Buses will depart as close to 3:12 as possible. Parents should stay in cars if picking up students and park along the playground fence on S. 3rd Street. No cars will be allowed in the bus lanes during the morning arrival time and afternoon dismissal. Please help us keep everyone safe by driving slowly and following the directions of staff.

If a parent needs to pick a student up during the school day, they should come to the main office and to sign the student out. Class time is valuable, so students will not be pulled out of class prior to the arrival of the parent/guardian picking them up. (Please remember that masks are required in order to come into any of the school district facilities.)

School Procedures

Attendance Policy - BECCA Law

RCW 28A.225.010 COMPULSORY ATTENDANCE

Parents of a child older than 8 and younger than 18 years of age in the State of Washington shall cause such a child to attend school and such child shall have the responsibility to and therefore attend for the full school session.

RCW 28A.225.030 School Districts are required to file a petition with the juvenile court for attendance violations by a parent or child.

Improving school attendance increases the likelihood that children will be successful in school. Also, improved attendance decreases problems related to inappropriate social behavior.

The legislators, school districts and courts share the common goal of requiring students to attend school on a regular, full-time basis without acquiring unexcused absences.

WAC 392.400.325 STATEWIDE DEFINITION OF EXCUSED ABSENCES

The following are valid excuses for absences:

1. Participation in a district or school approved activity or instructional program;
2. Illness, health condition or medical appointment (including, but not limited to, medical, counseling, dental or optometry);
3. Family emergency, including, but not limited to, a death or illness in the family;
4. Religious or cultural purpose including observance of a religious or cultural holiday or participation in religious or cultural instruction;
5. Court, judicial proceeding or serving on a jury;
6. Post-secondary, technical school or apprenticeship program visitation, or scholarship interview;
7. State-recognized search and rescue activities consistent with RCW 28A.225.055;
8. Absence directly related to the student's homeless status;
9. Absence resulting from a disciplinary/corrective action. (e.g., short-term or long-term suspension, emergency expulsion); and
10. Principal (or designee) and parent, guardian, or emancipated youth mutually agreed upon approved activity.

The principal (or designee) has the authority to determine if an absence meets the above criteria for an excused absence.

Action	Required School District Intervention
Students first unexcused absence	The school attempts to contact the parent by phone or mail regarding the unexcused absence.
Students third unexcused absence	The school will schedule a conference with the parent, student, and school staff to create an attendance plan, resolve the issue of unexcused absences and any consequences with additional unexcused absences.
Student's fifth unexcused absence in one month, or eighth unexcused absence in a school year	The school will review and revise the attendance plan with a community truancy board. The plan will include any interventions used by the school to reduce or eliminate further unexcused absences.
Students seventh unexcused absence in one month or tenth in a school year	The school principal (or designee) is required to file a petition to the Wahkiakum County Juvenile Court.

Students are expected to attend all assigned classes each day. Wahkiakum School District regulations require a student's parent or guardian to either call the school or send a note explaining the reason for student's absence.

1. If a student is absent 6 times during a quarter they could be in jeopardy of failing that quarter. A meeting will be set up with parents/guardians and school district personnel to discuss the reasons for absences and what can be done to alleviate the attendance problem.
2. Students leaving school before the end of the day must check out through the office with a written excuse from the parent or the parent must pick up the child in the office.
3. If the student leaves school without checking through the office, parents will be notified. If the school is unable to notify the parents, the sheriff's office will notified that the student is missing.
4. Make-up assignments must be made available to the students who are absent and request the assignments.
5. Forged notes will be considered insubordination and treated as such.

What to do when absent:

1. Have a parent/guardian write a note giving your name, date, days of absence, reason for the absence, and his/her signature or call the office at 795-3261 to verbally excuse your child.
2. Bring the note to the office as soon as you report to school.
3. Ask all of the teachers for make up work. Assignments not made up will be reflected on your grade. (Each student is responsible for seeing that the make-up work is completed).
4. If there is an upcoming planned absence, such as a family trip, parents/guardians should notify the school prior to the absence. A pre-arranged absence form is available in the office. The teachers will fill out the form giving the assignments that they expect to be completed before, or upon arrival back from the absence. *Pre-arranged absences may

not be approved if a student has a history of chronic absences and/or are currently in jeopardy of failing a class.

Unexcused Absence Procedure:

1. Students are expected to attend all assigned classes each day. Teachers and the office will keep accurate record of all absences and tardies in school records.
2. Students who are absent and do not bring a signed note from the parent/guardian upon return are considered unexcused.
3. It is helpful for parents to call the office if their child is absent to excuse their child's absence preferably before school starts.
4. The office will make phone calls home or send a letter to try to verify your child's absence.

Tardiness:

Promptness is very important to the educational environment of a classroom. Each teacher has rules regarding punctuality. Students arriving late to school disrupt the educational process. If a student has arrived late more than 5 times during a quarter a letter will be sent to parents to set up a meeting with the teacher and principal to remedy the situation.

Early Dismissal and Leaving the School Grounds

We operate a closed campus for grades K-8.

Check out procedure for early dismissal:

1. If a student has to leave school during the school day, he/she must be picked up by the parent/guardian or someone designated by the parent/guardian in a written letter.
2. The office will determine if the early dismissal is to be excused or unexcused.
3. Students leaving school without checking through the attendance office will be considered truant.

Visitors

Students wishing to bring a guest to school must obtain approval from the principal at least one day in advance and secure permission from each of their teachers. Parents are always welcome, but prior notice is always appreciated and helps to be less disruptive to student learning. (Note: All visitors must provide proof of a Covid-19 vaccination before visiting the classroom).

Dress Code

It is our belief that cleanliness, neatness, and appropriateness of the dress and personal grooming by our students are desirable qualities to be encouraged by both parents and school personnel.

School dress codes also apply to school sponsored events.

1. Students should not wear halter-tops, tank tops with large arm holes or spaghetti straps or low-cut tops. No bare midriff or visible cleavage while sitting or standing. Sleeveless tops are permitted but straps must be a minimum of 1" and multiple straps cannot be counted as 1" straps.

2. Hats or head coverings may be worn in the halls, cafeteria and gym, before and after school and at lunch. They may not be worn in classrooms **unless approved by the classroom teacher.** Exceptions will be made for medical or religious reasons.
3. Students are not to wear clothing with inappropriate slogans and graphics printed on them. This includes any material that is sexual, obscene, profane, drug or alcohol related.
4. Cutoffs may be worn as long as they do not contain inappropriate holes and are reasonable length at mid thigh.
5. Sunglasses are not to be worn in the building or class without permission.
6. Undergarments should not be visible at any time. Sheer clothing or articles with holes must be accompanied with appropriate clothing underneath.
7. Shorts and skirts must be at least as long as the tips of the student's fingers when their hands are held straight down to their side.

School Closure/Delayed Start

In the event of severely inclement weather or mechanical breakdown, school may be closed or starting time delayed. The same conditions might make it necessary to close school early. School closing, delayed starting time or early dismissals will be announced on major radio stations. If no report is heard, it can be assumed that school will be in session.

For school closure information you can:

1. Check the school website at www.wahksd@k12.wa.us
2. Get an automated call from the school messenger system – if you do not get these calls please call the office to update your contact information.
3. Listen to KBAM 1270 (AM), KEX 1190 (AM), KGW 620 (AM) or 105.5 FM
4. Watch Portland television stations for updates

Whenever school has to be dismissed early during the school day, the residences of the elementary school students will be called as soon as possible to inform them of the early dismissal. If no one answers at the residence, attempts will be made to contact another responsible party.

Grading System and Honor Roll

The evaluation of student achievement is one of the primary functions of the teacher. At the primary level letter grades are not used. At the upper elementary and Middle Schools letter grades are given for academic achievement. Half grades +’s and –’s are issued as well. In the event of an illness, emergency or prearranged absence, a temporary “I” (incomplete) may be given as a grade. An incomplete will turn to an F two weeks after the date of issue if the necessary work is not completed.

A 6-8 grade student who has a grade point average of a 3.2 and above with no F’s or D’s is considered on the honor roll.

8th grade students will receive high school credit upon successful completion of Washington State History.

Grade Percentages:

A – 94% - 100%, A- - 90% - 93.99%, B+ - 87% - 89.99%, B – 84 – 86.99%, B- - 80% - 83.99, C+ - 77% - 79.99%, C – 74% - 76.99%, C- - 70% - 73.99%, D+ - 67% - 69.99%, D – 60% - 66.99%, F – 0% - 59.99%

Permission Slips/School Activities

Students **must** have a signed permission slip in order to be allowed to attend field trips. We will not take a phone call in place of a signed permission slip. Please make sure you sign and return permission slips so that your child will not miss out on fun off-campus activities.

Students will be allowed to participate in extra-curricular activities such as sports, band programs, field trips, etc. provided they have no outstanding fines and/or fees such as sports gear, textbook fines, long overdue library books, etc. Please make sure you are being responsible and taking care of fines as they accrue and returning materials in a timely manner.

Internet Use

Internet use has become a standard part of the educational process. A parent/guardian may request an internet opt-out form in the office if they do not wish their child to use the internet while at school. The students are to use the Internet for research and other classroom activities as directed by the teacher. Misuse of the internet could result in restricting a student's access to using school technology.

Cell Phones

Cell phones may be used before and after school only. Students will be expected to keep their cell phone in their locker during class time. If a student's cell phone disrupts the classroom, they will have them taken and one of three steps will be taken:

1. First offense – the phone will be returned to the student at the end of the day.
2. Second offense – the phone will be turned into the main office and the parent/guardian will be required to pick it up.
3. Third offense - parents will need to pick up the cell phone and students may be asked to no longer have them at school. Students may not use their cell-phones at recesses.

***Note: In the event lockers are not used due to COVID restrictions, students will be required to keep their cell phones in their backpacks from 8:30-3:05.**

Sexting

Students shall not send, share, view or possess pictures, text messages, emails or other material of a sexually explicit nature in electronic or any other form on a cell phone or other electronic device, while the student is on school grounds, at school sponsored events, or on school buses or vehicles provided by the district.

Students who violate this policy will be subject to disciplinary action, including suspension or expulsion; and losing the privilege of bringing the device onto school property. In addition, an administrator may confiscate or with reasonable cause search the device, which shall only be

returned to the student's parents/guardian. Content or images that violate criminal laws will be forwarded to law enforcement.

By bringing a cell phone and other electronic devices to school or school sponsored events, the student and parents consent to the search of the device when school officials have a reasonable suspicion that such a search will reveal a violation of school rules.

Discipline Policy

Student Discipline: Students will be disciplined in a progressive manner, depending on the frequency, nature and circumstances of the violation. A serious infraction may warrant immediate suspension or expulsion. Discipline measures may include one or more of the following: student conference, parent notification, parent conference, detention, work duty, out-of-school suspension and expulsion.

Prohibition of Harassment, Intimidation, Bullying

(HIB Policy)

RCW 28A.300.285 defines harassment, intimidation and bullying as any intentionally written message or image—including those that are electronically transmitted—verbal, or physical act, including but not limited to one shown to be motivated by race, color, religion, ancestry, national origin, gender, sexual orientation, including gender expression or identity, mental or physical disability or other distinguishing characteristics, when an act:

- Physically harms a student or damages the student's property.
- Has the effect of substantially interfering with a student's education.
- Is so severe, persistent or pervasive that it creates an intimidating or threatening educational environment.
- Has the effect of substantially disrupting the orderly operation of the school.

Schools are required to take action if students report they are being bullied. Since August 2011, each school district has been required to adopt the model Washington anti-bullying policy and procedure.

HIB Handbook Policy - Any unwelcome or unwanted comment, gesture or other behavior will not be tolerated at J.A. Wendt or John c. Thomas and will be addressed in a serious manner. (Students found or suspected of harassment may be suspended or expelled from school. Law enforcement may also be contacted.)

The Wahkiakum School District strives to provide students with optimal conditions for learning by maintaining a school environment where everyone is treated with respect and no one is physically or emotionally harmed. The District is committed to a safe and civil educational environment for all students that is free from harassment, intimidation or bullying.

Our policy is not intended to prohibit expression of religious, philosophical, or political views, provided that the expression does not substantially disrupt the educational environment. Many behaviors that do not rise to the level of harassment, intimidation or bullying may still be prohibited by other district policies or building, classroom or program rules. This includes posts and comments on social media sites.

Weapons and Firearms

No weapons are allowed at school. As in District Policy 4210.

Students who bring firearms on school grounds are subject to a minimum of one academic term, with possible case-by-case modification by the superintendent. The District shall also comply with federal protections for disabled students in the application of this policy. Parent(s) or guardian(s) will be notified of the violation, as will law enforcement agencies.

A dangerous weapon is defined as any instrument or weapon of the kind usually known as a sling-shot, sand club, metal or plastic knuckles, pocket knives with blades of 2” or more, any knife such that the blade is ejected or released by a spring, mechanical device, or is ejected into position by the force of gravity or by an outward, downward, or centrifugal thrust or movement or any other knife commonly known as a dagger or dirk carried in a concealed or exposed manner. Also, any firearm, any explosives such as fireworks and any device commonly known as “nun-chu-ka-sticks”, consisting of two or more lengths of wood, metal, plastic, or similar substance connected with wire, rope, or other means. School Bus Rules and Expectations

Riding the school bus is a privilege, not a right. Proper behavior and actions will guarantee this privilege. While riding the school bus your child is governed by Washington State Law.

Students will conduct themselves in a manner which will assure the safety of all involved when waiting for, riding and departing from the school buses. Therefore, disruptive behavior, insubordination, smoking, hanging out of windows, foul language and challenging the authority of the bus driver are prohibited. Actions of these and others which present danger or consistent non-compliance with authority will result in progressive steps of discipline (suspension) for a designated time enforced by the bus driver and supported by the administration. The bus driver is in complete charge of the bus and students are required to obey directions given by the driver. Students who fail to obey school bus rules consistently will be subject to suspension by the administration. Students who come home on the bus should return home on the bus unless they present a note from their parent.

1. The driver is in full charge of the bus and students. The students must obey the driver promptly and willingly.
2. Students shall ride their regularly assigned bus at all times unless permission to do otherwise has been granted by the school authorities. School authorities shall verify with the driver the availability of extra seating space.
3. Unless by permission of school authorities, no pupil shall be permitted to leave the bus except at his or her regular stop.
4. Each student may be assigned a seat in which he/she will remain at all times unless permission to change is given by the school principal and/or driver.
5. Outside of ordinary conversation, classroom conduct must be followed. Students will sit properly in their seats, refrain from throwing objects, keep their hands to themselves, and be courteous to their fellow passengers.
6. Students are to assist in keeping the bus clean by keeping their waste off the floor. Students must also refrain from throwing refuse out of windows. To help keep the bus clean, eating is allowed only if permission is given by the bus driver. Pop is not allowed on regular morning and afternoon runs.
7. No student will smoke or light matches on a school bus.
8. No student shall open a window on the school bus without first getting permission from the school bus driver.
9. No student shall at any time extend his head, hands or arms out of the window whether the school bus is in motion or standing still.
10. Students must see that they have nothing in their possession that may cause injury to another, such as sticks, breakable containers, any type of firearm, or straps or pins extending from their clothing. Animals are not permitted on the bus, except for service animals.
11. Each student must see that his/her books, backpacks, and personal belongings are kept out of the aisle. Special permission must be granted by school authorities to transport any large items.
12. Large radios are not allowed on the bus except in special circumstances with prior approval. Walkmans can be used with earphones. Students will not talk to the driver more than necessary.
13. No student shall sit in the driver's seat, nor shall any student be to the immediate left or right of the driver.
14. Students are to remain seated while the bus is in motion and are not to get on or off the bus until the bus has come to a full stop.

15. Students must leave the bus in an orderly manner. They must not cross the highway until given consent by the school bus driver. When boarding or leaving the bus, the students should be in view of the driver at all times, crossing only in front of the bus.
16. Students must not stand or play in the roadway while waiting for the bus. Students should leave home early enough to arrive at the bus stop before the bus is due.
17. Self-discipline should be exercised by pupils at the bus loading areas. It may be necessary at times for parents to walk and supervise their child at the bus stop.
18. Students who have to walk some distance along the highway to and from the bus loading area, when practical, should walk on the left-hand side facing the oncoming traffic. This will also apply to students leaving the bus loading zone in the evening.
19. In the event of an actual emergency, emergency exit procedures, as established by the emergency exit drills, will be followed.
20. Parents of students identified as causing damage to buses shall be charged with the cost of the incurred damage.
21. Student misconduct shall constitute sufficient reason for suspending transportation privileges.

Bus Discipline In order to maintain and promote safe and required conduct by students on the school buses, it is necessary for all drivers and supervisors to consistently enforce established ridership rules.

Regular Route Students (to and from school) who do not comply with ridership rules will generally be subject to the following progressive discipline, depending on the nature and frequency of the misconduct: 1) reprimand, 2) parent notification, 3) 2 day suspension from bus route, 4) 5 day suspension from bus route, 5) long term suspension from bus route.

Students on Extracurricular Trips who do not comply with ridership rules will generally be subject to the following progressive discipline, depending on the nature and frequency of the misconduct: 1) reprimand and/or parent notification, 2) suspension from next extracurricular trip and parent notification, 3) long term suspension from extracurricular trips.

Promotion/Retention

The board recognizes that the rate of physical, social, emotional and academic growth will vary among individual students. Since each student grows at his or her own rate, these individual growth characteristics shall be recognized in classroom programming.

Grades 6-8

After a student has successfully completed a year of study at a specific grade level (6-8), he/she will be promoted to the next grade. There are five core classes offered at the middle school each year. The classes include PE, language arts, mathematics, science, and social studies. These five classes combined total five credits each year. Each core class is worth .25 credits per quarter.

The staff recognizes that for promotion to the next grade, a student must be passing a minimum of four credits in the core classes. There can be no more than .50 credit failed in any one core class each year. If there are extenuating circumstances, the building principal will have discretionary authority to call for an MDT (Multidisciplinary Team/staff) meeting to review certain grades and determine promotion or retention.

After the first quarter grading period, parents will be notified in the form of a warning letter if their student is failing a class. They will be encouraged to conference with each teacher

whose class the student is failing. The same procedures will be followed after the second quarter grading period. At each conference, parents will be advised on how they might assist their student to improve.

After the conclusion of the third quarter grading period, parents will be notified again in the form of a letter as to the academic status of their student. At least two weeks prior to the end of the school year, the parent, principal, and teacher(s) will again meet in a formal conference to review the latest progress. If retention is the decision, parents will be notified immediately. Parents may wish to enroll their students in an accredited summer school program to make up the deficient grades. At the conclusion of the summer school program, the student must show evidence of registration and attendance. Additionally, a transcript must be forwarded the school officials showing a passing grade in the coursework. If the student passes, he or she can be promoted to the next grade.

Parents of students in special education who fail classes will be contacted throughout the year and advised of academic options. The multidisciplinary team will meet with parents at the direction of the special education coordinator. Based upon the academic plan written in each IEP, accommodations agreed to, and to what is the best interest of the student, the multidisciplinary team will make the final decision on a case by case basis for that student's promotion or retention.

Wahkiakum Athletic / Extra-Curricular Activity Philosophy

John C. Thomas Middle School offers extra-curricular opportunities in numerous sports and other extracurricular activities to promote the physical and social development of each individual student. All students are encouraged to participate. In order to clarify established policy concerning athletics, the school board, the administration, athletic director, and coaches of John C. Thomas School believe that the accepted rules and obligations of a participant should be made clear.

Participating in an extra-curricular activity is a privilege rather than a right. This privilege can be maintained only by following a common sense approach to training and abiding by all regulations of the extra-curricular program. We want our school to be represented by the type of individual who has enough pride in oneself, the school, and the team activity group to abstain from doing anything which will cause disfavor upon the school.

“Pay to Participate”: The School District has implemented a “pay to participate” policy. Middle school students participating in an extra-curricular activity are required to pay \$30 per activity. Payment must be made no later than one day prior to the first game/event in which the athlete is eligible. This payment does not guarantee a student playing time but rather the privilege of being a part of the team.

Academic Eligibility: Students are required to maintain a passing grade in all of their classes. Each teacher will complete a weekly grade report on Friday of each week. Athletes who are not passing a class on Friday will be ineligible to participate in contests the following week unless their grades are all passing on Monday. The student is, however, still required to participate in practices. The ineligible athlete will not be allowed to travel to away contests. If an athlete is

found to be ineligible three consecutive weeks, the athlete will no longer be allowed to participate in that activity for the remainder of the season.

Attendance Requirements: An athlete, or other activity participant may not participate in an athletic or activity event or practice on any day that he/she has missed any portion of the school day for an unexcused absence or an illness. Exceptions will include medical appointments (doctor, dentist, vision, etc.). Appointments with doctors require a signed statement by the physician stating the player is safe to participate and/or any limited capacity to participate. Approved pre-arranged absences made with the principal may warrant participation as well.

If an athlete has an illness or injury, which was serious enough to require medical care, the student must secure a physician's release to resume participation in an athletic activity. This is required before a student may participate in practice.

Physical Appearance: An athlete or activity participant shall maintain the appropriate dress and grooming standards (a minimum standard of the school dress code will be maintained) of the team as determined by the head coach in consultation with his/her immediate supervisor. First offense: verbal warning. Repeated offenses: suspension from the activity for five school days.

Rules pertaining to behavior: Extra-curricular activities are an extension of the classroom and all rules and regulations stated in the student handbook pertaining to behavior and dress code apply to athletics and other extra-curricular activities.

General Regulations

1. Each extra-curricular participant must abide by the rules and regulations of the Washington Interscholastic Activities Association, The Eligibility Code for extra-curricular activities, and regulations and policies set forth by the Wahkiakum School District.
2. All athletes must be covered by accident insurance offered at the school or have a waiver signed by parents attesting to home coverage equal to the W.I.A.A. minimum requirements. This is required before a student may participate in practice and must be submitted at the beginning of each sport season.
3. Each athlete must have passed a physical examination from a licensed physician or physician's assistant certifying that his/her physical condition is adequate for participation in the activity. Physicals may not expire mid-season. This is required before a student may participate in practice.
4. If an athlete has an illness or injury, which was serious enough to require medical care, the student must secure a physician's release to resume participation in an athletic activity. This is required before a student may participate in practice.
5. Participants will return a parental permission slip to the office at the beginning of the school year or before the beginning of his/her first season. This slip also gives the parent some

information on the action the coaches will take in case of injury, as well as listing the player's doctor and his/her phone number. This is required before a student may participate in practice.

6. Athletes and Activity Participants shall respect all decisions of officials and abide to all reasonable requests made by their coaches and/or activity advisors.
7. Extra-curricular participants shall be responsible for the care and return of all property issued them. Uniforms and equipment are costly to replace and to a large extent paid for by student fees. Athletic tape and other supplies should not be used unnecessarily or wasted.
No athlete will be allowed to turn out for another sport until all equipment and uniforms have been turned in from the previous sport.
8. Athletes and activity participants shall take pride in the appearance of the athletic area and shall strive to maintain a clean appearance in the play area and locker room.
9. Each athlete, cheerleader, and activity participant will purchase an A.S.B. card. This is required before a student may participate in the first contest.
10. Any student withdrawing from participation in a specific sport or activity during a season shall notify the coach at once. The student will be billed for any equipment not returned.
11. Citizenship Eligibility: Participation in extra-curricular activities is considered a privilege. Students may be required to complete extra tasks as a penalty for being late to or absent from practice and thus letting his/her team down. If a student has consistent problems with absences, tardies, or detention they will need to meet with the principal and/or athletic director to create a plan to correct the problem. If the problem continues, the student can be suspended from competition. If a student becomes involved in serious or consistent discipline problems in the school, or civil offenses, he/she may become immediately ineligible as a penalty for the behavior.
12. It is the responsibility of the athlete, cheerleader, or activity participant to secure and complete all missed assignments. Temporary suspension may occur until missed assignments are completed.
13. Athletes and activity participants will always conduct themselves in an appropriate manner that will not harm or taint the reputation of the school, the group, or teammates. This includes posts and comments on social-media sites.

Extra-Curricular Activity Code

The opportunity to participate in interscholastic athletics and other activities at John C. Thomas Middle School is a privilege granted to all students of the district. Participants in these voluntary programs are expected to conform to specific conduct standards established by the school district 24 hours per day beginning with the first day of the season until the last day of the season according to W.I.A.A.'s calendar of events. A student who is found to be in violation of any rules is subject to disciplinary action, suspension and/or removal from the team. Provisions are made for a student who has allegedly violated one or more of the conduct rules to appeal the suspension and/or expulsion as specified in this code.

Participants shall not possess, use, transmit, be under the influence of, or be suspected of having used any tobacco products, alcoholic beverage, or intoxicant of any kind, narcotic drug or hallucinogenic drug, amphetamine, barbiturate, marijuana, anabolic steroids, or other illegal drugs or substances, or any like product. Participants will abstain from the use, possession, transmission, or illegal sale of any tobacco product or be suspected of the same or like products.

Voluntary Treatment If any student realizes they have a drug, alcohol, tobacco, or anabolic steroid problem, and of their own volition, seek treatment for their problem (prior to their first drug, alcohol, or tobacco violation) they may not be subject to disciplinary action for taking this positive step. The student will be disciplined for any subsequent offense according to this code. Any cost for treatment and/or assessment will be the responsibility of the student and/or the parent/guardian.

Violation of the extra-curricular activity code: Upon confirmation that a student has violated the extra-curricular activity code of conduct and both the participant and parents/guardians have been notified of the appeal process the following steps will be followed. **Tobacco, and/or Alcohol**, (during the school year)

Tobacco - (possessing, or using tobacco and/or like products or suspicion of same)

Alcohol - (possessing, being under the influence of, or using alcohol and/or like products, or suspicion of same).

First Offense: - (Since the beginning of 7th grade, or 6th grade if they are needed to fill a team.) A participant shall be immediately ineligible for the equivalent of one full season. (Example: if a suspension affects 33% of the football games [3 games], then the participant must be ineligible for 67% of the next athletic season in which he/she participates). In order to be eligible to participate after the suspension the participant shall meet with the School Eligibility Board (S.E.B.) to request approval to participate. **Before a hearing will be held, the student must complete the majority of their interventions with a drug/alcohol counselor.** The school eligibility board will recommend to the principal appropriate action to be taken

in the student's case. The school principal shall have the final authority as to the student's participation in the extra-curricular program.

Alternate Suspension: Suspension time may be reduced with the agreement of the participant and/or the parent/guardian to comply with the following stipulations:

1. A parent/guardian conference which includes the participant.
2. A pre-assessment and/or formal assessment (if deemed necessary), and
3. A designated education, rehabilitation, or intervention program or similar acceptable program deemed appropriate by a counselor or administration.

Alternate Suspension Time: Football, track - 33% of the contests/games /scheduled events
Basketball, baseball, softball. Wrestling - 33% of the contests/games/outings/scheduled events
Volleyball - (33%) of the matches/outings/ scheduled events. All other extra-curricular activity participants will lose 33% of the activity

Note: In wrestling, volleyball, or other multiple contest events, an outing or scheduled event shall mean any event at one site for that day (example; tournament). The suspension shall effect the highest level of participation (varsity level) and the suspended participant shall not participate in lower games or count lower level games toward the suspension.

Any cost for treatment and/or assessment will be the responsibility of the student and/or the parent/guardian

Second Offense: (During the high school career) The violating participant will be prohibited from participation in all extra-curricular activities for one calendar year from the date of the violation.

Third Offense: The violating participant will be banned from any further extra-curricular activities for the remainder of their high school career.

Re-instatement:

If a participant has offended three times in the areas of tobacco and/or alcohol he/she may request an appeal for a reinstatement of eligibility provided they are willing to comply with the following provisions:

1. A written request will be made to the athletic director asking for the reinstatement procedure to be initiated.
2. Be enrolled and participating in, or have completed a substance abuse program approved by the school district within the last year.
3. Consent to complete 6 U.A.'s over a period of six months.

4. Three letters of recommendation from adults (over 21 years of age and not family members) indicating the character of the participant.
5. A letter from a licensed professional practitioner stating the participant does not have a substance abuse problem

When the participant has satisfied each of the above requirements, the SEB will conduct an interview with the participant and participant's parents/guardians and render a decision within 3 days of this interview. ***The decision of the S.E.B. is final and may not be appealed in this process.***

Drugs & Legend Drugs - possessing, being under the influence of, or using drugs/legend drugs and/or like products, dealing or under suspicion of same

Legend drugs are defined as those drugs that are legal ONLY through prescription.

First Offense: (Since the beginning of 7th grade, or 6th grade if they are needed to fill a team.) A participant shall be immediately ineligible for the equivalent of one full season. (Example: if a suspension affects 33% of the football games [3 games], then the participant must be ineligible for 67% of the next athletic season in which he/she participates). In order to be eligible to participate after the suspension the participant shall meet with the School Eligibility Board (S.E.B.) to request approval to participate. The school eligibility board will recommend to the principal appropriate action to be taken in the student's case. The school principal shall have the final authority as to the student's participation in the extra-curricular program.

A student who seeks and receives help for a problem with use of legend drugs or controlled substances and controlled substance analogs shall be given the opportunity for assistance through the school and/or community agencies. In no instance shall participation in a school and/or a community approved assistance program excuse a student from subsequent compliance with this regulation. However, successful utilization of such an opportunity or compliance with athletic code by the student athlete may allow him/her to have eligibility reinstated in the extra-curricular program, pending recommendation by the school eligibility authority committee. (***School Eligibility Board -S.E.B.***)

Second Offense: (Since the beginning of 7th grade, or 6th grade if they are needed to fill a team.) A student shall be ineligible for extra-curricular participation for a period of one calendar year from the date of the second violation.

Third Offense: (Since the beginning of 7th grade, or 6th grade if they are needed to fill a

team.) A student/athlete who violates for a third time shall be permanently ineligible for extra-curricular participation.

This W.I.A.A. policy applies to all drug offenses while in middle school and high school.

Example: If a student has a first offense at any time during middle school or high school it will be dealt with as the first offense. If a second or third offense occurs at any later date in their middle school or high school years the consequence will be dealt with as the second or third offense.

In the presence of prohibited substances or activities:

Participants who attend and remain at events and/or places which have prohibited substances or activities may be suspected of participating in training violations and disciplined accordingly:

First Offense:

A participant shall be immediately ineligible for the equivalent of 10% of the season. In order to be eligible to participate after the suspension the participant shall meet with the School Eligibility Board (S.E.B.) to request approval to participate. **Before a hearing will be held, the student must complete the majority of their interventions with a drug/alcohol counselor.** The school eligibility board will recommend to the principal appropriate action to be taken in the student's case. The school principal shall have the final authority as to the student's participation in the extra-curricular program.

10% suspensions will be rounded up to the nearest whole number

Football, track - 10% of the contests/games /scheduled events

Basketball, baseball, softball, wrestling - 10% of the contests/games/outings/ scheduled events

Volleyball - 10% of the matches/outings/ scheduled events

All other extra-curricular activity participants will lose 10% of the activity

Second Offense: - Same as the first offense in tobacco and alcohol violations.

All athletic/activity suspensions must be served while school is in session and only during that portion of the year in which WHS athletics/activities are in active participation.

TRANSPORTATION: All students are expected to use the transportation provided by the school district to get both to and from all athletic events and field trips.

Students may be released from riding home on the bus after extracurricular events or field trips if prior arrangements have been made with the office by the parent, or if the parent or guardian is

present and verbally requests the release of their student to the coach, bus driver, or staff supervisor.

Arrangements to be released must be made in a timely fashion to allow the administrator involved time to verify all communication. (By noon the day of the event)

No student will be released to an older sibling, relative, or other adult unless prior arrangements have been made. At no time will a student be released to another student.

Attendance at School: An athlete, cheerleader, or other activity participant may not participate in an activity/contest or practice on any day that he/she has missed any portion of the school day for an unexcused absence or an illness. If the student has received school permission he/she may miss any portion of the day and participate in practice or contests.

Violations of Civil Law: The administration and the Wahkiakum School Board reserve the right to discipline athletes/participants that have been charged with or found guilty of criminal offenses.

Repeated Offenses: If a student repeatedly violates one of the above rules, he/she may be suspended for the sports season. (As an example: if a student is suspended from one spring sport he/she shall not be allowed to participate in another spring sport.)

Appeal Process for Extra-Curricular Suspension

The hearing process is intended to be as expeditious as possible to insure due process for the participant. In the appeal process the participant will remain on suspension from the sport or activity until such time that an appeal decision overrules, upholds, or revises the suspension.

When infractions occur within the extra-curricular activity program the following process may be followed

1. Upon the imposition of penalty for infraction(s) of said rules or regulations and the notification of the student and parent/guardian, any aggrieved student and/or the parent/guardian of said student shall have the right to request an appeal of this decision to the School Eligibility Board (S.E.B.). This appeal must be presented to the Superintendent or Principal in writing requesting a hearing by the School Eligibility Board. If the student and/or the parent/guardian do not make a written request for this conference within three (3) school days of the action grieved, they will have waived their right to the conference and appeal procedure. **Before a hearing will be held, the student must complete the majority of their interventions with a drug/alcohol counselor.** The S.E.B. will render the decision within 3 days of the conference. The facilitator of the hearing will communicate the decision to the participant and parent/guardian.

2. If the parties are unable to agree with the result of the S.E.B. hearing, the aggrieved parties may appeal to the Board of Directors by presenting the request in writing to the Superintendent or Principal within three (3) days. The board of directors will hear the appeal as soon as possible, but in any case within ten (10) days. After hearing the case in detail, the Board shall render a decision on the case as quickly as possible, in any case within ten (10) days of the hearing. **This decision shall be final.**

The School Eligibility Board (SEB).

The School Eligibility Board will consist of:

1. Five members chosen by the principal or designee and all participation is voluntary.
2. The principal (or designee) will facilitate these meetings but will not have a vote.
3. The five member board shall consist of:
 - a. two teachers
 - b. one off-season coach from the opposite school of the participant (M.S. or H.S.)
 - c. two community members.
4. All decisions of this board will be conducted by secret ballot.
5. The outcome of the ballots will be read to the SEB.
6. The principal or designee will inform participant and parents of the SEB's decision
